As MEARIE moves to be more green in our approach to business, the MEARIE Subscribers' Handbook continues to be available in electronic format, however if you wish to have a printed copy please let us know and arrangements will be made to send you one.

Introducing MISI - MEARIE's Licensed Insurance Broker

What is MISI? MISI, whose full name is "MEARIE Insurance Services Inc." is MEARIE's licensed insurance broker available for MEARIE Members to help with all of your non-reciprocal based insurance needs.

With the future prospects of the Green Energy Act and as LDCs expand their operations outside of the regulated world of electricity distribution, your insurance needs may also change. Diverse operations may require diverse insurance protection.

The MEARIE Reciprocal continues to offer Liability, Vehicle and Property insurance programs that meet the needs of an LDC. MISI can provide access to the other insurance products you may require.

Some of the potential lines of coverage you may need include:

- Surety Bonds
- Construction Bonds
- Excess Layers
- Inland Marine - shipping, transportation of shipments and orders
- Performance Bonds
- Construction - COC and OCIP
- Executive Protection
- Project specific coverages

If you are in need of any of these or other coverages, please contact either Helmar Prent at (905) 265- 5316 or email at hprent@mearie.ca or Gary Durie (905) 265-5355 or gdurie@mearie.ca.
